

University District Stakeholder Forum

Sprague Redevelopment
September 28, 2017

Let's Begin

University District welcome and housekeeping

Welcome from our host

Recognition of our community leaders

The University District

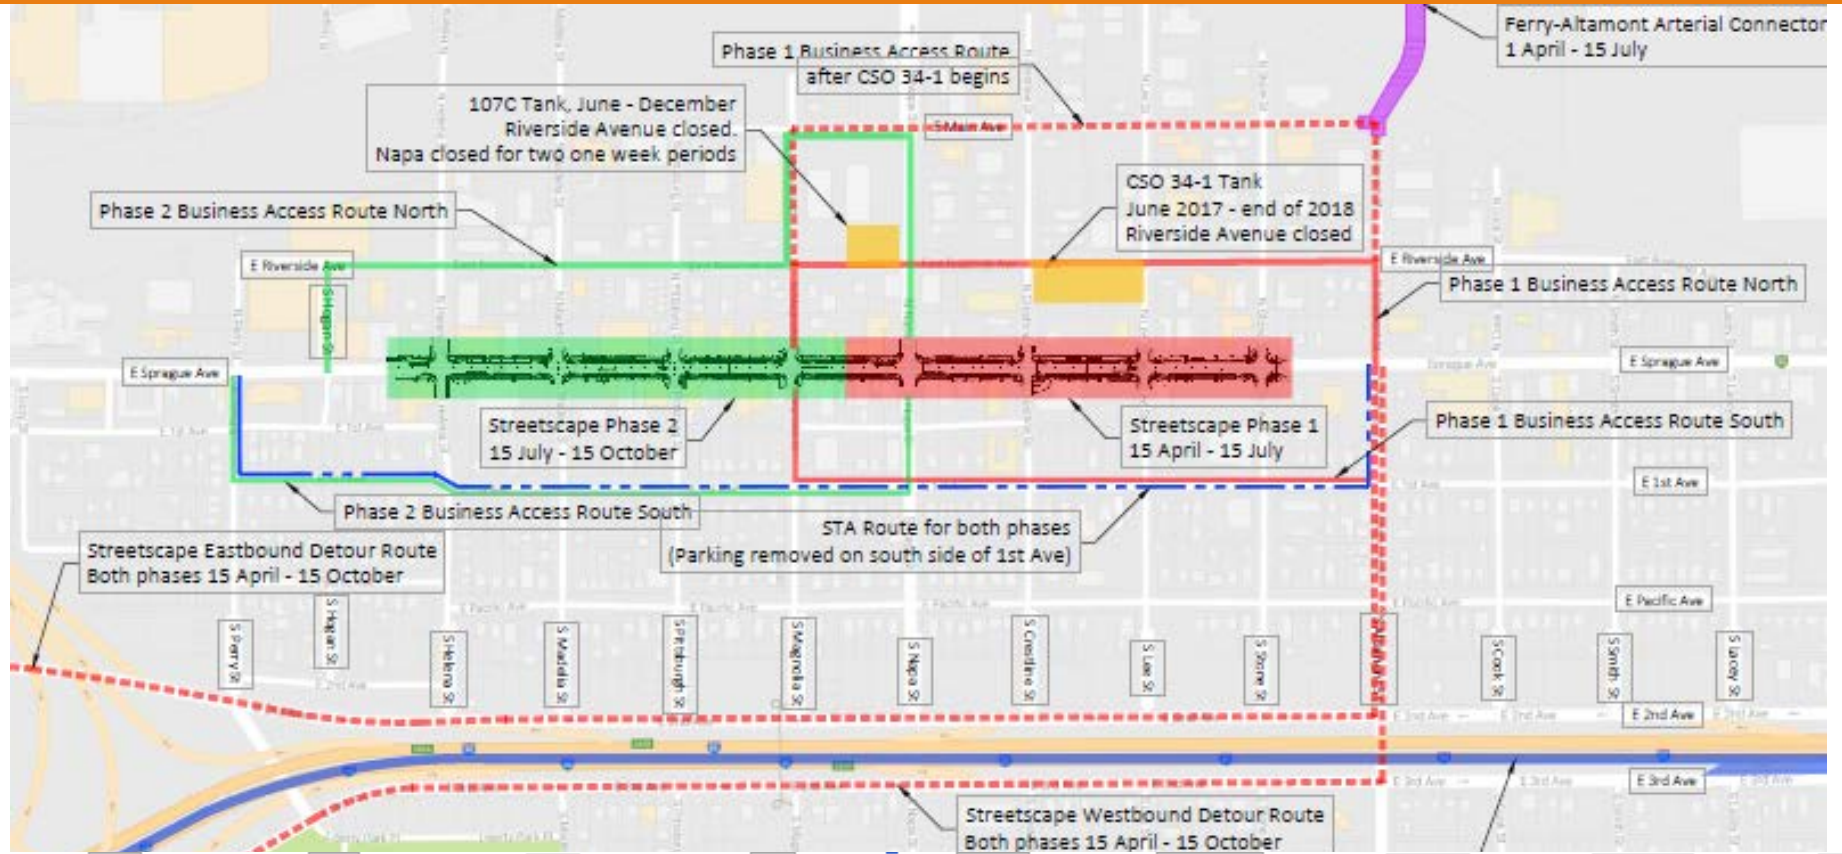

What/where is the University District and what does it do?

How can we help ensure that what happens 'to' the south University District is good 'for' the businesses and residents?

What should I expect from this meeting?

Lessons Learned from Phase 1

General Q&A and Feedback

Do you understand what will happen during scoping and how you can influence the process?

What other questions or thoughts do you have?
